

June 3, 2022

Dear Valued Customer,

Thank you for your continued business and support. Seal Fast appreciates your patience during these unprecedented times. Inflation has affected all aspects of our operations as we are sure they've impacted yours. Rising material prices, delays, and large increases in shipping costs are quickly increasing our cost of doing business. We must announce a change to our prepaid freight policy effective June 13th, 2022. The changes are as follows:

- \$1500 Net Couplings
- \$2500 Net Couplings, PVC Tubing, Braided Tubing and Fire Hose
- \$4000 Net Couplings, Rubber Hose, PVC Hose and Sheet Rubber
 - *Uncoupled cut lengths of hoses are excluded from prepaid freight
 - **6" and larger bulk PVC Suction and Rubber Hose are excluded from prepaid freight

Please note that Seal Fast reserves the right to refuse any prepaid shipments exceeding a set freight cost percentage unless items are added to keep the percentage below set amount.

Again, your continued business and support is valued, and we appreciate your cooperation and patience as we navigate these unprecedented times.

Sincerely,
