Dear Valued Customer,

Due to double-digit increases in raw materials and freight costs we are forced to implement a price adjustment effective June 1, 2021. Please note that Seal Fast is making every effort to keep the increases minimal, however we are anticipating future adjustments if trends continue.

In addition to the previous letter from May 13th the following items will increase on June 1st :

Cast Iron 10-15%

Fire hose 15%

Fire hose assemblies 15%

Gauges 5-10%
